2006 FUNDING SOURCES

Government Contracts from the City and County of San Francisco supported our work to provide family support services, outreach, and education. Contracted programs include the TALK Line crisis and counseling telephone line, the Children's Playroom, and the Child Abuse Council, among other programs.

Grants were received from private foundations, corporations, and small businesses. Grants can be unrestricted, or given in support of a specific program or initiative.

Donations (including luncheon sponsorships and bequests) were received from individuals, donor-advised funds and corporations.

In-Kind Donations help the agency maintain low-overhead, reach more clients and support fundraising.

Event Revenue, Fees, Interest & Other Income includes ticket sales and raffle proceeds from our April Luncheon. Fees are received for counseling appointments, which are offered to clients on a sliding scale.
